Volume II, Issue 39

A MESSAGE FROM THE CHAPTER PRESIDENT

Hello Everyone and Happy Spring! I feel safe saying that after many months of freezing cold; hopefully that is all behind us and we have some warmer weather ahead. Despite the winter, we accomplished many projects over the past 6 months and you can read about our various activities inside this issue of the Tele-All.

Last year our volunteer hours totaled 46,245 hours increasing our community service hours from 2015 by 11,970 hours! Incredible projects and incredible efforts on the part of our dedicated volunteers who devote their time and energy to those less fortunate and agencies in need. We had a very successful year as we performed historic AND new projects. A very special "Thank You" to the Fort Pitt Chapter Board Members and our volunteers for all of the hard work and long hours it takes to fulfill these projects. I also want to extend a heartfelt thank you to our devoted office staff, Marlene Yurochko and Dorothy Szykowny. I don't know what we would do without your support, managing all that you tirelessly do at the Pioneer Office. You certainly keep me on track!

Take some time to read about all of our projects and think about joining in if there is something that grabs your interest. All of the coordinators are listed inside and if you have an idea for a new project, we are always open for suggestions.

Have a wonderful summer and if you travel in the coming month, please travel well and stay safe.

*Gerry McLaughlin
Chapter President, April 2017*

In Memoriam – Barb Cassidy

In memory of our dear friend and fellow Pioneer, Barb Cassidy, the Stephen Foster Council again this year provided Christmas for a family through Project Star with age appropriate gifts and gift cards for food. Thanks to Dianne Madden who did the shopping his year for us and hopefully will continue in the future, Barb had been doing this task for at least 30 years. Sadly, she passed away March 29th, 2016. Barb was the finest example of a Pioneer. She was kind and always willing to do what needed done. She did all the shopping for the children always getting them what they requested from Santa Claus. This wasn't an easy task since she had so many health issues. Barb never complained and enjoyed making the children happy at Christmas. Barb's wonderful friend,

Mary Ann Rittmeyer, accompanied her on these shopping sprees. Thanks to all the donations from fellow Pioneers and Fort Pitt Chapter hopefully, we can continue this project in her memory for many years to come.

Mary Palfy & Sis Arendas

We strive to keep our membership list up to date, so if you become aware of another Pioneers passing, please notify the office with a copy of the obituary.

Thank You!

Easter Egg Hunt at the Western Pennsylvania School for the Blind

This year, Fort Pitt Pioneers hosted the 38 Year Anniversary of the Easter Egg Hunt at the Western Pennsylvania School for the Blind in Oakland. It was held on April 10 and as always, it was a big *success with over 100 students attending. We had 20 volunteers assisting the children and filling their Easter baskets along with the Pitt Panther cheerleading squad, our own Easter Bunny, the Pitt Panther, and the mascot from WPSB helping too.* The Pittsburgh Police Department Bomb Squad assisted us this year by providing brightly flashing Easter Eggs for the sighted students to find.

The event was well organized with the volunteers and teachers helping the children to go in search of the beeping or flashing eggs. Once located, the children were able to trade in their 'found' eggs for Easter baskets filled with treats, stuffed animals and toys especially selected by our coordinator, Sis Arendas. Sis sends along her 'Thanks' to all of the volunteers and staff who were on hand to help. Everyone is welcome to volunteer for this yearly event!

Campbell's Labels for EDUCATION

PROJECT HAS ENDED!!

Late last year, one of our dedicated Pioneers reported that the Campbell's Labels for Education project with Campbell's products was ending. Upon confirmation with their website, we are no longer collecting the Campbell's soup labels or any products with the Campbell's Labels for Education logo.

Many thanks to those of you who faithfully collected the labels for years and years!

HOLIDAY FELLOWSHIP

On Tuesday, December 6, 2016, members and friends of Fort Pitt's Gateway Club gathered for a beautiful holiday luncheon at South Hills Country Club in Whitehall. After a delicious luncheon and door prizes, terrific entertainment was provided by Hermie Granati playing piano and singing songs. The next holiday lunch is **December 5** so **SAVE THE DATE** and look for a flyer in your next issue. We would love to have you join in the festivities and fellowship!

Quarterly Chapter Lottery Calendar

Each year in January, April, July and October, Fort Pitt conducts our major fund raising event in the form of a lottery calendar. This is our best fund raiser for the Chapter, but it requires much effort to sell 1,000 chances, four times a year. In this issue, as you have seen in past issues, you will see the list of the winners of previous lottery with prizes ranging between \$50 and \$500.

You can help by purchasing a ticket for \$10.00. The July lottery will be our next ticket. We can also put your name on our mailing list to automatically receive your ticket(s) from Marlene & Dorothy at the Pioneer Office. Please call Gerry McLaughlin at 412-823-7777 to purchase a ticket or to be put on the mailing list.

All winners are paid within 30 days of the drawing date.

*Valentine's Day Project - 9th Annual
"Hugs From Nan" at the Inter
Community Cancer Center in
Monroeville*

For the ninth straight year, Pioneers hosted a Valentine's Day Project at the Inter Community Cancer Center in Monroeville by honoring 40 patients undergoing radiation treatment with an over-stuffed gift bag. This year we partnered with Coldwell Banker Real Estate Services Select Realty to sponsor the bags. Gerry McLaughlin's daughter Lauren Klein from Coldwell Banker Real Estate Services, organized the event, shopped for the products and prepared the beautiful bags in honor of her Grandmother, Gerry DeMeo, who won her battle with breast cancer nine years ago.

Eat N' Park provided a discount to purchase heart shaped cookies for the bag, which also included Valentine merchandise of socks, mugs, note pads, ornaments, nail file, hand sanitizer, lotion, bath gel, pens, lip balm, mints, stuffed animal, protein bars, and a heart shaped box of chocolates. All of the patients were very grateful for the extra attention they received during their doctor visits and treatments on Valentine's Day!

NEW Greeting Cards Project

When we pack the duffel bags for the Sharing & Caring Boat Ride, one of the items that we include for the veterans are a couple of 'all-occasion' greeting cards for their personal use. Many organizations are now sending new greeting cards in the mail as a solicitation for their fund raiser and we would like to collect them from those of you who choose not to use those cards. We typically run out of the cards pretty quickly because around 500 or so bags are packed, so any donation of unused greeting cards and their envelopes are appreciated! You can send to:

Gerry McLaughlin 216 Ohio Street Monroeville, PA 15146

...and we will be sure to include them in the Sharing & Caring duffel bags! *Thank You!*

Support for our Retired and Hospitalized Armed Services

Men and Women

Our retired service members are provided assistance through Southwestern Veterans Center which is a residential care facility for over 200 patients. The men and women there are treated with an occasional bingo where we sponsor the prizes, and provide refreshments for the residents. We also support their monthly birthday celebrations with a giant sheet cake that serves about 80 of the residents.

Also, Sharing & Caring sponsors a bingo at Southwestern Veterans Center monthly on the fourth Tuesday of every month at 2:00 PM. Please come along to help serve if you are free, you will have a wonderful time interacting with the men and women there and come away with a smile on your face!

kidsHELPat the Animal Rescue League

We are now donating dog and cat food to the Animal Rescue League every other month. The kids helped this past year by delivering the food and visiting with the pets. These food donations allow pets, who may be abandoned at the shelter, to stay in their homes with their owners.

We will once again be selling Koeze Nuts during the 2017
Holiday Season.

If you are interested in ordering, please call Marlene at the Pioneer
Office for a price sheet.

Homeless Shelter Report

In November, a group of Pioneers and friends and family members joined together with Will King from Operation Safety Net to pack over 400 breakfast bags for use by OSN at the overnight night shelter on Smithfield Street in Pittsburgh. Will explained to us that the Severe Weather Emergency Shelter is now open consistently November through March. They house men at one shelter and women and women with children at another location providing them with a hot meal and keeping them warm and dry overnight. A grant from the Dodd's Fund helped to support this project. We also continue to pack the toiletry kits for OSN, Jubilee Kitchen and Operation Save a Life and have recently added Family Links who provides programs to youth ages 16-21 who are homeless or aging-out of the foster care system.

A donation was made to, Light of Life Rescue Mission on the Northside to help with their programs.

In addition, Nancy Stonis continues to knit hat & glove sets that we distribute to the agencies. This is the 16th year that Nancy has been providing these cozy handmade items for the homeless. Over 3,100 homeless folks have benefited from her handiwork. We all appreciate her time and efforts to help those less fortunate.

For the past four years we have been doing a project with Hillcrest PreSchool for their educational needs for the 3 and 4 year old students they serve. The teachers there are very creative with their teaching methods and this year they requested Toddler Play Capes, heavy duty construction paper, paints and wipe/off lap boards, spending only \$200. The director and teachers there are very appreciative.

Financial Update – End of-year, 2016

Many thanks to those of you who took the time to read and respond to the articles that were in the two issues of the Tele-All last year regarding our finances. Just to remind you, we are no longer supported by a grant from Verizon to continue volunteer activities and out of about 3,900 Fort Pitt members, only 173 are active employees paying dues (\$20 a year) of which we receive a portion. Also, as employees retire, and there are no more dues collected, even less is received. In 2016, we lost the dues of 49 employees.

From the request in the two articles, there were 66 donations received for a total of \$3,780 which has gone a long way in supporting the many projects our Clubs planned last year and also in support of the printing and mailing of the Tele-All. Our donations were up about \$1,200 from 2015 so I know our members are reading about our projects and choosing to support them! As we enter a new year, we are back at square one with our fund raising (mainly lottery & Kennywood tickets) and reaching out to our members asking for help so that we can continue on with the projects that you will read about in our newsletters. You can see the scope of the projects we perform and hopefully appreciate all of the good work that we carry on for the good of our local communities and to carry on the reputation of “Pioneers - Answering the call of those in need.”

You can help us now by making a donation in support of our projects, and the Tele-All printing and distribution. Even \$10 goes a long way when many donations are received!

Our goal is to demonstrate our commitment to community service opportunities for children, adults, seniors and veterans in areas of education, health and human services, and life enrichment projects. You have been reading about these projects in the Tele-All for years as the Clubs faithfully perform them. Please help us to continue to help these organizations!

Thank You Very Much!

**Member At Large, Bonnie Adams** – Holiday project with the pajamas & toys for children was completed with 5 children, ages 8 to 10 helping to collect toys and pajamas. One of the teachers at her daughter's school donated 60 pairs herself. At her monthly breakfast, 23 Verizon retirees donated toys, pajamas, and made monetary donations for whatever was needed to round out the project. In all, over 220 pairs of pajamas and 250 toys were donated to East Hills Community Center, Gandy's & Lady Di, who provide toys, clothing and food to needy neighborhood families, and Center for Victims. She will continue with the project again this year and has already starting with purchases. Bonnie will also be adding another project this year and will determine the theme later. She is also coaching her grandchild, Eve and her friends on the benefits of volunteering during a weeklong exercise in the summer.

**Member At Large & Senior Representative Report, Donna & Phil Gallagher:** We recently went to the, Vincentian De Marillac Nursing Home in Pittsburgh, along with our (Happy Hooker) Shirley Chelli who makes most of our Lap Robes for us with her busy little fingers in her Spare Time! We took (48) Lap Robes and (48) Blessing Bags which we were able to take around

the Facility and pass out individually to all the patients. It was a very good afternoon and there were lots of smiles and hugs. They were very appreciative and thankful for our visit, their gifts and that we had thought of and cared enough to come spend some time with them.

We also completed a project at Shepherds Heart in Pittsburgh, shopping for and donating Coffee, Tea, Hot Chocolate, Sugar, Powdered Cream and Styrofoam Cups, 30 assorted Men's and Ladies Coats, 15 Blessing Bags, and 15 new Blankets

**Member At Large, Don McIlrath:** The Sharing & Caring bingo is held the 4<sup>th</sup> Tuesday of every month at Southwestern Veterans Center. The next bingo is Tuesday March 28 at 2:00 PM. Please come and help if you are free. Don also recently delivered a donation to the Penn Hills Service Association to help with their food bank.

**Dictionary Report:** Our goal is to distribute about 30 dozen of these books! If you are aware of a class of third graders who can use a dictionary or fourth grade class that can use a thesaurus, please contact Nancy Riley at 412-884-4711. If we still have room left in the

budget, we can get those books ordered for your school! Thanks for putting the word out!

## Military Care Packages

Since 2007, Robin Weunski and her husband Tom, owners of the Pittsburgh Inn in Erie, Pennsylvania, have been shipping care packages to soldiers in Iraq and Afghanistan. Their son Joshua was deployed at that time and even though he has returned home, they continue to ship packages despite their innkeeper and restaurant responsibilities. Robin's motto is: "Until they ALL come home". In addition, the Meadville VFW sends care packages every month to Afghanistan and asked our Meadville Club for support. We previously had only provided postage but the Telecom Pioneers Charitable Foundation grant allowed us to purchase the products they needed to round out their holiday packages. We subsidized both of these groups by purchasing the food, toiletry items and Holiday products they requested for the care packages they pack.

In addition, we became aware of the deployment of a local group of 40 soldiers to Kandahar Air Field. In December, we got together and packed each of them a holiday gift box complete with food, toiletries, gifts and holiday decorating supplies.

## KEEPING THE **pioneers** 'SPARK' ALIVE! a volunteer network

You may remember an article we published in last Spring's Issue about a visitor to Fort Pitt Chapter from County Mayo, Ireland, a Mr. Michael Larkin. Mr. Larkin's ancestor, Thomas Larkin, was a career Bell of Pennsylvania employee and a Life Member of the Telephone Pioneers of America. He retired in 1930, returned to Ireland, and continued to do volunteer work in the spirit of Pioneering for many more years. While visiting Pittsburgh in October 2015, Michael Larkin walked Larkins Way in his Great Uncles' South Side neighborhood and participated in a Chapter community service project. We hosted a luncheon for him and he shared with us Pioneer memorabilia from his Uncle's years of volunteering in Pittsburgh.

My husband and I recently toured Ireland and made a visit to Westport, County Mayo where Michael Larkin very generously shared his time and vast knowledge by showing us the highlights of the area. While were there, a Pioneer Memorial service was held at Thomas Larkins gravesite at Killawalla Cemetery. Another highlight of our trip was a Westport Hall of Fame presentation and introduction to the famous Irish author, Michael Mullen. We also had the great pleasure and honor to meet the Irish Prime Minister, Mr. Enda Kenny. We had great fun with Prime Minister Kenny as he joked about the County where my husband's ancestors may have come from. Courtesy of our host, we also took a horse and buggy carriage ride with Kevin O'Reilly manning the reigns of the Westport Jarvey.

Tell us what you would like to see in the Tele-All! We welcome any suggestions for consideration by our Board.

# BLESSINGS IN A BACKPACK

Since 2005, Stephen Foster Club has been directly involved with the Blessings in a Backpack operation in the Wilkinsburg School District. Blessings in a Backpack is a national program that started with two schools and now serves more than 76,000 students in 44 states. It provides food for elementary school children who qualify for the federal free or reduced-cost meal program to take home for food for 38 weekends during the school year. We are proud to be affiliated with this project for over 11 years.

All of the food is purchased with donations and costs about \$2.10 per child per week. Each week at 1:00 PM on Thursdays, the Founder, Linda Lafferty and volunteers, pick up the week's order from Sam's Club and then they head to Kelly Elementary School to pack 550 bags. They are usually done by 3:00 PM. The bags are filled with a package of macaroni and cheese, crackers, an individual size box of cereal, two juice boxes, a crisped rice treat, a cup of pudding or fruit, a package of microwave popcorn and fruit snacks.

Blessings need help with their packing operation! If you can help, at Kelly School in Wilkinsburg on any Thursday, please contact Linda Lafferty at 412-327-9742.

Thank You!

## ***Toiletry Collections***

As you travel, please collect the sample size soap, shampoo, lotion and any complimentary items provided by the hotels. These items are used to pack hygiene kits for the homeless folks and sent to Operation Save-A-Life, Operation Safety Net, Family Links and Jubilee Kitchen in Pittsburgh. We are no longer packing at the Verizon Garage in Monroeville and have moved the operation to Linda Schirano's home in Monroeville.

These kits are crucial - the agencies we serve continue to ask for them all year round and we typically prepare and distribute 100 kits a month. Other items that are always needed to complete the kits are washcloths, sample size toothpaste, toothbrushes, razors, combs and quart size zip lock bags.

**You can mail the toiletries in the U.S. Mail to me: Gerry McLaughlin, 216 Ohio Street, Monroeville, PA 15146, or if you are local, please call me and we can coordinate a pick up. My number is 412-823-7777.**

**Thank you all very much**

## ***Cancelled Stamp Collections***

We continue to save cancelled stamps on behalf of the American Philatelic Society.

They require the stamp to be cut away from the envelope with a 1/4 inch of paper left around the edge of the stamp (see the sample to the left). APS will also accept all sorts of philatelic collectible material, such as First Day Covers, albums and boxes of stamps in glassine envelopes.

The American Philatelic Society ([www.stamps.org](http://www.stamps.org)) is the largest, non-profit organization for stamp collectors in the world and is right here in Pennsylvania. They serve collectors, educators, postal historians and the general public by providing a wide variety of programs and services.

Stop pitching those envelopes and start clipping the stamps to save for this very useful organization. All of your donations will be counted towards volunteer hours for Fort Pitt Chapter. No need to mail priority mail since we collect and fill boxes before we forward to the agency.

Your clipped donations can be mailed to: Linda Schirano, 411 Center Road,  
Monroeville, PA 15146

***Thank you for your donations and helping with our volunteer hours!***

# **USED Greeting Cards**

Don't you just hate to throw away those beautiful cards that you receive for your birthday and holidays? Well, we have found an outlet for used greeting cards! St. Jude's Ranch for Children is able to recycle your used greeting cards into new cards. Their 'recycled' cards are sold to support their programs and services for abused, abandoned, neglected and homeless children, young adults and families.

The program is beneficial to everyone - customers receive fun, "green" holiday or other occasion cards they can feel good sending to their friends and loved ones, and the children at St. Jude's Ranch receive payment for their work and learn about basic job skills and the importance of recycling.

**NOTE: They currently have an increased need for both Birthday and Thank You cards**

Just a few rules:

- *All types of greeting cards, including Christmas cards are accepted*
- *They cannot accept cards from Hallmark, American Greeting or Disney*
- *Cards 5" x 7" or smaller are preferred*
- *Only the card front can be used (please check to be sure the backside of the front of the card is clear of any writing, etc)*
- *No need to mail priority mail since we collect and fill boxes before we forward to the agency*

*Send the card fronts to:*

*Linda Schirano  
411 Center Road  
Monroeville, PA 15146*

Thanks for your participation and helping with our volunteer hours!
